Reservations: Overnight Maine canoe trips require a \$100.00 deposit per person to secure your trip. All other Maine trips require a \$250.00 deposit per person with a financial commitment to pay the full trip amount 30 days prior to your trip. The remaining balance is due upon arrival. Canadian trips require a \$300.00 deposit per person with an additional 30% due 60 days prior to your trip. While the remaining balance isn't due until 15 days prior to your trip, a financial commitment to pay the full trip amount is required 60 days before your trip.

Cancellations: Deposits for Maine trips are fully refundable up until 30 days prior to your trip and deposits for trips in Canada are fully refundable up until 60 days prior to trip. *No refunds given 30 days before your Maine trip, and 60 days before your trip in Canada. Canoe the Wild reserves the right to cancel a trip due to **low enrollment, safety, forces in nature that are beyond our control such as low & high water levels. In these cases your payments are fully refundable. *While the deposit is non refundable, you may apply it to a future trip within two years. ** In the case of low enrollment, we can discuss a cost per person that makes the trip feasible to go.
